Dear Seaview Families and Community,

Thank you for another wonderful and productive school year! It has been a fantastic year filled with events that have brought us closer together. We would like to thank you volunteers, Art Docents, and amazing PTA for your ongoing support throughout the year. We could not offer such a rich education to our students without the continuing effort and support that you all give to us. I would also like to thank our entire Seaview Shark Staff! Their tireless efforts, endless energy, skills, and devotion to our students is remarkable. They have been caring and compassionate stewards of our students' journeys. Thank you, to an incredible group of professionals for a job well done!

In August, we will be working collaboratively as a staff to continue our work in preparation for a new academic year. We will be setting new goals and priorities, working to build upon the successes of the 2018-2019 school year, as we work to foster the foundations of excellence that we have established. We should always seek to do better; challenge ourselves and our Super Sharks to do their best and excel at all they do.

With the end of the school year also comes some transitions. On June 26, 2019 we will celebrate the growth and accomplishments of all of our students with a particular focus on our 6th grade class at our Awards Ceremony. As they leave our Seaview Community, we wish them continued success in middle school and all of their future endeavors. They have only begun their Leadership opportunities and are bound for greatness. This is also a time of staff changes and family moves. We would like to take this opportunity to wish those students and families leaving us this year all the best in their new schools and homes. In addition, we would like to extend our sincere thanks and best wishes to staff members who will be leaving us for different assignments and other leaves. Thank you for all what you have done for the Seaview Community. Mrs. Farrar is retiring and celebrating a wonderful career in education! Mrs. Cavallon has added great learning and joy to our 3rd grade and we wish her the best. Mrs. Echols our Assistant Principal has accepted a Head Principal position in Stanwood. We are very excited for all three of these specials staff members and wish them the best!

### **Next Year: 2019-2020**

We will notify you of your child's "tentative" classroom placement in an email in late August. Final class placement determination will be made after the 4th day of school in September when we know whether student/teacher assignments need to be adjusted due to registrations and withdrawals that occur during the summer months. Grade level student supply lists will also be sent home with your student's Skyward Family Access information at the end of the school year. The supply lists will also be available on the Seaview website.

The Right At School is offering on-site before and after school care at Seaview next year. We are excited to offer this opportunity and look forward to being able to provide on-site care for families that need it.

Students in this program will be able to access after school learning opportunities and homework support. If you would like more information about this program or would like to enroll please contact Caitlin Frackepohl the area manager at (425) 870-8054 or [caitlin.frackepohl@rightatschool.com](mailto:caitlin.frackepohl@rightatschool.com).

A final Habit for our Seaview Sharks is Habit 7: Sharpen the Saw means preserving and enhancing the greatest asset you have...you! It means having a balanced program for self-renewal in the four areas of your life: Body, Mind, Heart, and Soul. Summer is a great time to focus on the Heart aspect of Sharpening the Saw as relationships are what this is all about. I hope that all families are able to use the summer months to spend time together with family and friends and support the heartfelt relationships that are most important in our lives. Remember, every day provides a new opportunity to connect with others and learn new things. Get out there and sharpen that saw.

Enjoy your summer vacation! We look forward to seeing our "Seaview Shark" families on Wednesday, September 4, 2019 for grades 1-6 (Kindergarteners will start Sept. 9th).

Have a safe and happy summer, and remember.....It's a Great Day to be a Seaview Shark!!!

All my best,

**Ms. Heather Pickar**

Principal, Seaview Elementary

### WANT TO BE A WATCHDOG?

Are you a dad, step-dad, grandfather, uncle, brother, or a father figure? Are you interested in volunteering one day a year to support your Seaview student? Come learn about our interest in the WATCH DOGS program. Please check in the office for more information. One day can make all the difference!

### LOST AND FOUND

Please take time to check the lost and found area in the Multipurpose Room. We are overflowing with jackets, sweatshirts, lunch boxes and other articles of clothing. All unclaimed items will be donated to the district clothing center at the end of the year.
