Dear Families,

Another great school year is almost complete here at Seaview and a huge thank you goes out to our entire school community from the staff and students of Seaview. It takes a collective effort of staff, parents, community, and others to support students in their academic and social learning. The staff of Seaview really appreciate the support our families provide!

Habit 7 – Sharpen the Saw

As June has arrived and summer approaches, it is a perfect time to focus on Habit 7 – Sharpen the Saw. Sharpen the Saw means preserving and enhancing the greatest asset you have...you! It means having a balanced program for self-renewal in the four areas of your life: Body, Mind, Heart, and Soul. Summer is a great time to focus on the Heart aspect of Sharpening the Saw as relationships are what this is all about. I hope that all families are able to use the summer months to spend time together with family and friends and support the heartfelt relationships that are most important in our lives. Remember, every day provides a new opportunity to connect with others and learn new things. Get out there and sharpen that saw!

Open House

It was great to see many families on Thursday, June 1st for our annual Open House and during the day for Leadership Day. Open House included highlighting student work and accomplishments, as well as, an art show put on by our PTA Art Docent committee. It was great to see students excited to show off their classrooms, their classroom work, and their art. A huge thank you goes out to the Art Docent committee for creating a wonderful display of art for the community to enjoy. For Leadership Day we were able to showcase our school to many community members including; district office staff, local politicians, local business partners, and some of our own families. It was a great day and a wonderful opportunity for students to show off their leadership and develop confidence in expressing ideas to an authentic audience in a variety of ways. There were student performances, tours of our school including classrooms, and students talking with adults about how they are involved here at Seaview.

Special Thanks to our PTSA board!

Being on the PTSA Executive Board takes a great deal of time and energy while providing wonderful support to our school. Please be sure to share a special appreciation to Suzanne Norring & Angela Cassin (Co-Presidents), Ben Allen & Paul Betzold (Co-Vice Presidents), Anne Lundberg (Secretary) and Barry Adams (Treasurer). Their leadership and energy has been the spark for many of the great programs and activities our Seaview Sharks and families have enjoyed throughout the year. A giant **Thank You** is also extended to all the **Volunteers** that have given their time to support Seaview this year through PTA fundraising or events, or in the classroom working with students and staff.

Next Year

We will notify you of your child's "tentative" classroom placement in an e-mail in late August. Final class placement determination will be made after the 4th day of school in September when we know whether student/teacher assignments need to be adjusted due to registrations and withdrawals that occur during the summer months. Grade level student supply lists will also be sent home with your student's Skyward Family Access information at the end of the school year. The supply lists will also be available on the Seaview website.

The YMCA is again planning to offer on-site care at Seaview next year. Our website has some information on this program. We are excited to offer this opportunity in one of our empty classrooms and look forward to being able to provide on-site care for families that need it. Students in this program will be able to access after school opportunities such as Chess Club, Art classes, Move60, Boeing Club and other after school activities before going to the YMCA program after school. If you want more information about this program or want to enroll please contact Marjorie Doran, Regional Director of Child Care at mdoran@seattleyymca.org or call 206-718-7618.

Enjoy your summer vacation! We look forward to seeing our "Seaview Shark" families on **Wednesday, September 6, 2017.**
