Greetings, Seaview Sharks!

June has arrived and we are in the final weeks of our academic school year. We have come together as a community supporting Continuous Learning to our Seaview students. Throughout our online learning, Seaview has had high student engagement! Each week our students' learning has become deeper, richer, and often cross-curricular!

Our wonderful, energetic, and enthusiastic Seaview staff has created many ways to encourage and support our students in online learning. They have done an absolutely amazing job of keeping the learning at a steadily increasing level while engaging our students along the way! Many of our staff have families and children of their own and yes, it has been hard for them to teach remotely, but they are always putting their students first and at the forefront of their minds. They are preparing lessons, answering questions, supporting students, keeping them organized and on track.

I would like to extend a sincere **"Thank you"** to all of our staff that have gone the extra mile to give our students the best opportunity and platform to succeed during this time.

Our students have had to adapt to the new situation and have done so brilliantly, supported by the efforts of the teachers and yourselves, our families, and caregivers!

At this time, we do not know where we will be in our Washington State Phases here in the Edmonds School District, under our governor, Jay Inslee. We are making class lists in preparation for the academic 2020-21 school year. We do not know if we are returning at full capacity or creating a hybrid of attendance on campus along with Continuous Learning online. We will notify you of your child's "tentative" classroom placement in an e-mail in late August. Final class placement determination will be made after the 4th day of school in September when we know whether student/teacher assignments need to be adjusted due to registrations and withdrawals that occur during the summer months. Grade level supply lists will be available on the Seaview website at the end of June. Make sure to look for 20-21 supply lists.

Edmonds School District will continue to provide updated communication throughout summer, please look for notifications from **Communications & Public Relations**. You can choose how to receive our ESD communications in your Skyward account, under the Skylert tab, i.e. Email, Text, Robo Calls. Food Services for students will also continue throughout summer.

I would also like to give a **SHOUT OUT** of appreciation to our **Seaview PTA!** They have provided a year full of fun starting with our Shark Run, Family Engagement events, and financial support for classroom activities and field trips. Please join me in thanking President Will Wisner, Co-vice presidents Sarah McManus and Rosie Bailer, Treasurer Garth Merrill, and Secretary Liz Nunez!

With deepest appreciation,

Ms. Pickar, Seaview Elementary Principal

LOST AND FOUND

We are holding over our Lost and Found items until the fall! Once we know how school will be opened in the fall, we will have these left-over items available for parents and students.

Edmonds School District

Unfortunately, vandalism occurs on District property each year and we see an increase of these incidents around the Independence Day holiday. Please remember that no fireworks are allowed on District property. If you notice any suspicious behavior, please call 911 and report it. Thanks for looking out for your neighborhood schools.
